## WHAT ARE COOKIES?

Cookies are small text files stored on your device (PC, tablet, smartphone) when you visit a website. They help websites remember information about your visit, such as your preferred language, products viewed and other settings, in order to facilitate browsing and increase the usefulness of the website for you

The concept of "cookies" relates to cookie modules and any other similar technologies through which information can be collected automatically. They are used to ensure a functional browsing, to provide a better browsing experience, to perform statistical analyzes the access of information on the website, to ensure the security of the website, but also to provide advertising matching your interests.

As specified above, Cookies are small text files placed by the visited website/webpage, via your browser, on the device you use for browsing (Pc, smartphone, etc.), and which are identifying the device when you access the website/webpage. A cookie consists of two parts: → the name and → the content or the value of the cookie. Technically, only the web server which sent that cookie can access it again when a visitor returns to the web page associated with that web server.

## HOW WE USE COOKIES?

We use cookies for various purposes, including:

- **Essential Cookies:** Necessary for the website to operate properly and to allow you to browse and use its features.
- **Performance Cookies:** They collect information on how visitors use our website, helping us to improve its functionality and performance.
- **Functionality Cookies:** They enable the website to remember your choices (such as language or region) and provide improved and more personal features.
- **Advertising Cookies:** Used to provide you with ads relevant to you and your interests, while limiting the number of displays of the same ad.

## USE OF SOCIAL MEDIA PLUG-INS

BOG'ART STEEL uses third-party social media plug-ins. Plug-ins are small software apps placed by social media platform providers that integrate them when included on the visited website/web page.

Generally, your interaction with a plug-in allows the third party to collect certain information about you, including your IP address, page header information, and browser information. BOG'ART STEEL has implemented the following social media buttons:

- LinkedIn
